**Reflection** 

Our readings today continue to educate us on the Eucharist. Jesus tells us in our Gospel that He is this Food that sustains us as He says, “I am the living bread that came down from heaven...and the bread that I will give is my flesh for the life of the world.” This bread He is referring to is His Body, Blood, Soul and Divinity that we receive. This bread becomes the flesh of Christ Himself. And in consuming Him, we receive every grace we need to live forever in eternal life. We are strengthened in virtue and united more closely to Christ. This is the Food that will fill us as we journey through this life.

**Stewardship**

Mistakenly we often take the Eucharist for granted. Maybe we come to Mass to “check the box” instead of actively partaking in this intimate exchange or we receive Jesus in the Eucharist and then forget about Him the second we leave the church after Mass.

To receive all that God wants to give us in the Eucharist, we must do our part in being receptive to His grace and living out active discipleship in our day-to-day lives.
