**Reflection** 

Our Gospel today conveys how we are called to imitate Jesus through humility and service. We are reminded that the Son of God became man and surrendered His life into the hands of men so that we might be saved. The life of Jesus was centered around His Father’s mission and the service of mankind. And this is how we ought to live — in imitation of Christ.

**Stewardship**

Our culture constantly encourages us to do what we can to get ahead in this world, to do what feels good, no matter the effects — that power, authority, and wealth should be our goals in life. Our faith offers us something different and fulfilling — a life of humility and service. As Christian stewards, we are called to live our lives in service of God and neighbor, just as Jesus did. Our life is not about us. It is about fulfilling God’s glorious plan for each one of us.
