Reflection 

The first reading from the prophet Daniel describes a time “unsurpassed in distress since nations began” and warns that “many of those who sleep in the dust of the earth shall awake; some shall live forever, and others shall be an everlasting horror and disgrace.” The second reading, from Hebrews, speaks of Christ who “waits until his enemies are made his footstool.”

Stewardship

One of the blessings of a stewardship way of life is that in challenging times, whether in our homes or workplaces or even our beloved Church itself, we can take great comfort in knowing we have a concrete plan to keep our priorities in proper order. And, when we put God first in all aspects of our lives, we will experience the peace that He gives that surpasses all understanding.
