**Reflection** 

Our Blessed Mother takes center stage on this fourth Sunday of Advent, and fittingly so, as we draw near to the celebration of her Son’s birth. After our Lord Himself, Mary is our model and guide to a stewardship way of life.

**Stewardship**

Our Blessed Mother’s example of a stewardship way of life is one that we, her children, can follow in our own lives today. With all the gifts God gives us — our time, our talents, our material possessions — we, too, can offer ourselves to God by using these gifts to serve and glorify Him. In so doing, we will effectively spread the Good News of the Gospel to the world around us today.
