**Reflection** 

As we celebrate this feast of the Baptism of the Lord, we can study His actions at the Jordan River as a powerful example of servant leadership. We see in Jesus a type of leadership that is characterized by humility and leading by example. Certainly, the sinless Savior did not need a baptism of repentance! But Jesus humbly made Himself one with his people to draw us to Him and create a relationship with us so that we would be open to His teachings and influence.

**Stewardship**

As a servant leader, we also see that Jesus leads by example. He doesn't just tell the people they need to be baptized. He shows them how and does it Himself to teach them. To lead like Jesus, we, too, must "walk the walk" and not just "talk the talk." If we want those who we lead to be generous and hard-working, then we must show them how to do this by demonstrating generosity and hard work ourselves.

The Holy Year is marked by the offering of God's abundant forgiveness through the granting of a plenary indulgence, a remission of the temporal punishment a person is due for their sins. The following, [with the four foundation conditions for an indulgence](#), are the different ways to receive an indulgence:

- Visit and Pray at a Pilgrimage Site
- Perform a work of mercy or penance
- Recitation of [specific prayers](#) (If you are homebound and cannot participate in pilgrimage)

You may also travel to Rome and pass through [Holy Doors](#) to receive an indulgence. Read more from the U.S. Conference of Catholic Bishops in this article: [Vatican norms for Jubilee indulgence include pilgrimage, penance, service](#).
